FRESH FRUIT & VEGETABLE PROGRAM WITH PREMIER PRODUCEONE

Premier ProduceOne is your FFV provider for the '25-'26 school year!

As Ohio's leading provider of fresh fruits and veggies to K-12 Schools, we're very excited to work with you!

Let's talk about how this program works, and how you'll be able to ensure your students are getting the best produce available.

Every month, you'll get an email with a calendar of suggested items for the following month. You can still choose anything from our FFV offerings, but some items are seasonal, so make sure to check what's available.

The FFV program does require ordering in advance.

Your FFV order will be delivered with your DoD shipment, on a separate invoice.

You can order via Pepper, our ordering platform, or with one of our amazing customer support team members. Go to premierproduceone.com or contact
