WILD ONION RAMPS

91771 | 1 Pound

A hallmark of the Spring season and available for a limited time, onion ramps are here! Bold, punchy, and unmistakable, ramps bring that signature blend of garlic and sweet onion all in one. Their tender leaves and slender bulbs are built for versatility. Fold them into butters, let them shine in pastas and risottos, or use them in other creative seasonal dishes!

Our wild onion ramps are sustainably foraged. Grown with responsible harvesting practices, it preserves the ramps themselves and supports the surrounding ecosystem, keeping this spring favorite on menus for seasons to come.

Fresh, foraged, and in stock now. Spring doesn't get more real than this.

Serrano Jamón

75525 | 12 Pound Average

Delicate, savory, and rich in tradition, Redondo Iglesias' Serrano Jamón offers classic Spanish flavor perfect for Mother's Day menus. This Serrano Jamón is cured for 12-14 months, with a smooth texture and rich, savory flavor. It's perfect for charcuterie boards, brunch spreads, or elegant small plates that call for something truly special.

Crafted using traditional methods, Redondo Iglesias continues a legacy of Spanish jamón dating back to 1920. Dry-cured in the mountains of the Natural Park of Candelario, each cut reflects a commitment to quality, tradition, and exceptional flavor.

Through our convenient on-demand program, get next-day delivery of Serrano Jamón on weekdays when you order before noon!
