Creamy, rich, and full of clean flavor, Snowville Creamery yogurt delivers consistency and versatility across the menu. Made from A2/A2 milk sourced from local, grass-fed cows, it performs beautifully in both sweet and savory applications. From layered parfaits and desserts to sauces and dressings, it's a difference you can taste.

Snowville Creamery is a small-scale, women-owned, local creamery. They're dedicated to delicious A2/A2 dairy products, a protein which is easier to digest and healthier than A1 milk. They've won awards for yogurt, cheese, and buttermilk, and are dedicated to working with local dairy farmers who prioritize animal welfare and sustainable practices.
