Organic Rustic Grits

00053 | 25 Pounds

Bring a taste of Ohio-grown goodness to the menu with Shagbark's certified organic rustic grits! Made with organic corn, these rustic grits offer a hearty texture and a rich corn flavor, making them a perfect fit for creamy breakfast bowls, Southern-inspired sides, and comforting fall dishes. They work well with seasonal veggies, cheese, or savory proteins!

Located in Athens, Ohio, Shagbark Seed & Mill has been offering Ohio-grown, certified organic dry beans and freshly milled grains since 2010. Their commitment to organic farming includes active crop rotations, the avoidance of petrochemicals and GMOs, and agricultural practices that build soil health, support strong ecosystems, and protect local water resources.
